General Secretary & CEO

Dear Members and Friends!

Warmest greetings in his precious name!

May I take the privilege to give thanks to all our members and wellwishers of the New Delhi YMCA whose support and guidance for keeping the New Delhi YMCA strong and focused is beyond measure!

I am pleased to announce that this year we will be organizing the New Delhi YMCA Carnival, 2022. As you are aware that the Carnival is our annual event and we raise funds for a particular cause through this activity. In previous years the Focus was on Special Children. Through this Carnival, New Delhi YMCA will be raising funds to develop and create a hub of education, and a sports coaching center at Hodal.

This year is a very special year where we are celebrating the 50th anniversary of the education sector and our services in the field of education. The focus is on extending and imparting quality education in Hodal. The Hodal project of our New Delhi YMCA has been a pioneer in many fields. From Mechanised Farming to Organic Farming to Bio Gas Plant. The New Delhi YMCA through its Hodal project has imparted knowledge to the Hodal community, bringing significant changes in their lives.

Now is the time that we intensify our focus on the young minds who are rearing to grow up and face the ever-challenging and changing world. Through our efforts, we can help them in getting the right knowledge and tools to make their state and this Nation proud.

I encourage our members and wellwishers to come together and support your New Delhi YMCA as you have always done and lead this effort of raising funds through the New Delhi YMCA Carnival.

May God bless us all with His grace and strength.

Felix Fernandes

Our Young Professionals Shining Bright at UTC, Bangalore

The Faithfulness of God never ceases to amaze, us as we enter into another month of Academic excellence and Holistic Empowerment. September has been full of dynamic knowledge, activities, games, sports, fellowship, and various multifarious processes that encapsulate the essence of the UTC community along with the value systems of the YMCA. Over and above everything else, the loving Grace of our Lord and Saviour Jesus Christ is compassionately taking us through the UTC Training Module and helping us mold and develop into better Ambassadors of the YMCA

Some of the noteworthy highlights of September 2022 are mentioned below:

The World Alliance of YMCA authored by CP Shedd is being read, analyzed, and presented (specific chapters allotted to all YMCA trainees) by each of us and the proceeding began with me, presenting the first 2 chapters, over a period of two weeks. There is a wealth of amazing history, legacy and global value that formed the foundations of the YMCA Movement and the Book by CP Shedd is a priceless masterpiece that embodies the spirit and essence of the History of the YMCA.

Inter-college Cricket tournaments have finally begun (as a result of the reduction of Rains) and the YMCA Secretaries are enjoying the inter-collegiate cricket games that are filled with a sense of team spirit and healthy competition

The Festivities of Onam are celebrated here at full throttle and a 3-day celebration included Games, Regional Food, and Fellowship among the multi-denominational students of UTC. The Games were dominated by the New Delhi YMCA Secretaries, who won First Positions in Breaking the Pot, Musical Chairs, Lemon Race, and Placing the Bindi. YMCA Secretaries along with the UTC AGP (Academic Guidance Program) students also won the Second position in the UTC Tug-of-War Competition, which was the main highlight of the Onam Festivities, besides the delicious delicacies and the Cultural Awareness.

The Onam Sadhya (Special Onam Meal) was a new and refreshing change in the UTC Mess, which further enhanced Festivities at the Campus

We have now completed 3 elaborate sessions of our Christian Institute of Management (CIM) Modules and are preparing for the Assignments, Submissions, and Tests that will be held from the first week of October.

We completed our Wednesday Societal Engagements and Alternate Sunday Ecclesial Exposure trips for this semester and are gearing up for the Upcoming Intensive Field Trips and awaiting the second-semester syllabus and Class Schedules.

Our Young Professionals Shining Bright at UTC, Bangalore

The YMCA Training Department has been gracious and procured multiple Sports Equipment for the Secretaries, including Badminton Racquets, Football, Volleyball, Table Tennis Bats, Cricket Bats, etc. Our daily TT sessions are in full swing and we indulge in weekend sports with the UTC community with our own equipment now.

The YMCA Training Department organized a Luncheon Fellowship for the CIM Faculty and Dignitaries along with the YMCA Secretaries, to further enhance the fellowship, knowledge sharing, and personal know-how among the personnel.

The UTC Tree Plantation & Campus Cleanliness Drive was a great initiative whereby the Students participated in cleaning specific areas and planting saplings all over the campus, thereby implementing the phrase, "Cleanliness to next to Godliness"

The YMCA Secretaries hosted Mr. and Mrs. Rajiv John for a Fellowship Dinner at a nearby restaurant as a gesture of togetherness and gratitude. Besides the delicious dinner, the time was well spent in an informal meeting scenario of humor, fun, and frolic.

To our surprise and good fortune, Shikha Mam had pre-planned a Family Fellowship Dinner for all of us, one week after our aforementioned outing, so we had the pleasure of having a luscious home-cooked meal yet again, within a span of two weeks. The Dinner was preceded by a time of Prayer, Worship, and Scripture Reading by the YMCA Secretaries, followed by a Heartfelt Message share by Shikha Mam, further followed by Dinner and Dessert.

As our first semester comes to a conclusion, the faculty has spent time advising us on our further course of action and helping prepare for our final assignments, exams and submissions, and Grading criteria.

The month of September was a good mix of academics, sports, newfound friendships, fellowships, a few hardships, certain obstacles, and an overall sense of accomplishment and development. There's been a keen sense of silence around the campus for the past few days, as everyone is getting ready for the upcoming exams and the UTC Library is now running at full capacity. The non-availability of a few books is an adventurous challenge and adds yet another aspect of training and development.

As we head towards the next month, we are filled with enthusiasm and motivation, looking forward to the tasks at hand, the multiple trips, and the continuation of the Ecumenical development of Body, Mind, and soul.

Seminar "Path to Purpose"

Saturday, 28th October 2022 the iconic FICCI Auditorium, New Delhi was the chosen venue for a Seminar "Path to Purpose - How business can be more inclusive". The seminar was conducted by Ms. Alina Alam, Founder & CEO of Mitti Social Initiatives Foundation (Mitti Café). The seminar was well attended and included many prominent dignitaries including Jayanti Dalmia, the National President of the FICCI Ladies Organisation. YMCA New Delhi was represented by myself and Mrs. Sarika Rajput, YPS Special Wing Nizamuddin.

The seminar focused on Disability - disability in our perception that stops us from seeing the magic in their disabilities. Many opportunities await a differently abled child, Mitti Café being one amongst many. At Mitti Café, the pursuit is to inspire people to believe in our inclusive ecosystem that can be promoted and emulated across the globe, and that could change millions of lives.

Mitti Café is wholly managed by people with disability that include physical and autistic and has over 20 outlets that were operational pre covid, mostly in Bengaluru. Unfortunately, Covid forced many a Mitti Café to close down. Post-Covid the foundation is once again trying to revive the Café with the opening at Hans Raj College, New Delhi planned for December this year.

Taking initiative from the seminar, we at YPS will endeavor to empower our students to do something similar and hope to succeed in the near future.
